SPEAKING AT CONVENTION

The raise hand feature in Webinar allows attendees to raise their hand to indicate that they need something from the host or panelists. Speaking to resolutions or other such items during convention will be managed by using the Raise Hand feature in Zoom. First, click “Raise Hand” to be recognized. You will be recognized by the chair in the order in which you raise your hand.

The host will be notified that you’ve raised your hand. Click Lower Hand to lower it if needed. Once you are recognized, you will be invited to unmute. Click the unmute button to speak. Windows: You can also use the Alt+Y keyboard shortcut to raise or lower your hand. Mac: You can also use the Option+Y keyboard shortcut to raise or lower your hand.

If there is an amendment on the floor, your hand will be lowered. If you wish to speak to the amendment, you may raise your hand again. Once the Amendment has passed or failed, you may speak to the resolution again.

CHAT FUNCTION IN ZOOM

As an attendee in the webinar, you can chat with other attendees and panelists (including the host). Chat will be in the controls at the bottom of your screen.

When you click on chat, the chat window will appear. It will be on the right if you are not in full screen. If you are in full screen, it will appear in a window that you can move around your screen.

Type your message and press Enter to send it. (You can also select who you would like to send the message to by clicking on the drop down next to “To:”).

When you receive a chat message, you will receive a notification at the bottom of your screen if you do not currently have the chat window open.

It is important to note that we are taking many measures to prevent virtual bombing at our conference. To this effect, we will be actively moderating the chat and will be able to quickly intervene if there are any disruptive participants.

IN MEMORIAM

Almighty God, we remember this day before you your faithful servants, and we pray that, having opened to them the gates of larger life, you will receive them more and more into your joyful service; that they may win, with you and your servants everywhere, the eternal victory; through Jesus Christ our Lord. Amen

(e) VERIFICATION OF VOTERS.— When a joint ballot is taken, the tellers shall first verify that each voter is a certified member of the Convention with the right to vote, and then allow each voter to cast a vote.

(f) REPORT OF THE TELLERS.— After the votes have been received and tallied, the Head Teller shall combine the votes of the clerical members of the Convention and the lay members of the Convention into one joint report and present to the Convention—

If no objection is raised following the announcement, the alternate shall take his seat.

SEC. 211. RESOLUTIONS.

(i) **COST NEUTRAL RECOMMENDATIONS.**— Any resolution described under subsection (h) or any motion that requires funding not specifically provided for in the budget submitted to the Convention for consideration, shall contain a recommendation for a corresponding decrease in the funding of another item which is included in the budget so that the impact of the resolution or motion is cost neutral.

SEC. 212. AMENDMENT AND APPLICATION OF RULES.

These Rules of Order of the Convention may be amended by the Convention and shall apply to each meeting of the Convention.

SEC. 213. JOURNAL OF PROCEEDINGS.

The Journal of Proceedings shall be submitted to the President for approval by the President before publication.

TITLE III — REMOTE ELECTRONIC MEETINGS

SEC. 301. CONDUCT OF A REMOTE ELECTRONIC MEETING.

(a) **NOTICE OF MEETING.**— The Secretary shall provide notice at least 30 days in advance of any remote electronic meeting. Before the meeting, the Secretary shall provide notice of the electronic platform through which electronic participation will be permitted, and information for registration and access to the platform. The platform shall permit each participant to hear the President and any person recognized to speak, and to speak and vote and take other action that such participant is authorized to take under the Constitution, Canons, and Rules of Order.

(b) **CONVENTION MANAGERS.**— In order to facilitate the conduct of a remote electronic meeting, the President may appoint one or more Convention Managers to report to and assist the Coordinator for the Dispatch of Business and to assist the President and Secretary of the Convention.

(c) **QUORUM.**— The Convention Managers shall determine and report to the Secretary the presence of a quorum as required by the Constitution on the basis of login information. Thereafter, the continued presence of a quorum shall be presumed, unless any participant demands the determination of a quorum, which shall be determined by the electronic login record of the platform. Such a demand may be made following any vote for which the announced totals add to less than a quorum. In the absence of a quorum, the meeting may be adjourned as provided in section 401 of the Constitution.

(d) **TECHNICAL REQUIREMENTS AND MALFUNCTIONS.**— Each participant is responsible for his or her audio and Internet connections. No action shall be invalidated on the grounds that the loss of, or poor quality of, a participant's individual connection prevented participation in the meeting.

(e) **MUTING AND FORCED DISCONNECTIONS.**— The President may direct that all participants' connections be muted and that a Convention Manager unmute a connection when a participant is recognized. During the meeting the President may cause or direct the muting or disconnection of a participant's connection if it is causing undue

interference with the meeting. The President's decision to do so, which is subject to an undebatable appeal that can be made by any participant, shall be announced during the meeting and recorded in the minutes.

(f) **ASSIGNMENT OF THE FLOOR.**— To seek recognition by the President, a participant shall use the feature of the platform designated by the President, for example the Zoom Chat feature, and await recognition. The participant shall specify the nature of the request for recognition (for example, to propose an amendment or raise a point of order). Once the pending action is completed, the Convention Manager shall clear the online queue. Section 203(a) shall not apply during any remote electronic meeting.

(g) **INTERRUPTING A PARTICIPANT.**— A participant who intends to make a motion or request that under the rules may interrupt a speaker shall use the feature of the platform designated by the President, for example the Zoom Chat feature, for so indicating, and shall thereafter wait a reasonable time for the President's instructions before attempting to interrupt the speaker by voice.

(h) **MOTIONS SUBMITTED IN WRITING.**— A participant intending to make a main motion, to offer an amendment, or to propose instructions to a committee, shall, before or after being recognized, submit the motion in writing to the online area or other mechanism designated by the Secretary for this purpose, preceded by the participant's name, parish affiliation or ex officio designation, and the nature of the submission (*e.g.*, "John Smith, Rector of St. Mary's, Springfield, Amendment to Resolution #1"; "Richard Roe, St. Joseph's, Middletown, Amendment to Resolution #2"). The participant shall also include contact information, including a telephone number, which a Convention Manager may use to address questions relating to the submission. Use of the online area or other mechanism designated by the Secretary for this purpose shall be restricted to posting the text of intended motions.

(i) **SECONDING OF MOTIONS AND RELATED POSTS.**— Participants responding "so moved" to a request from the President for a motion, or seconding any motion that requires a second, shall do so using the feature of the platform designated by the President, for example the Zoom Chat feature, without needing to be recognized by the President.

(j) **DISPLAY OF MOTIONS.**— The Secretary shall designate an area for the display of the immediately pending question and other relevant pending questions (such as the main motion, or the pertinent part of the main motion, when an amendment to it is immediately pending), which may include display through the meeting platform. To the extent feasible, the Secretary, or any assistants appointed by the Secretary for this purpose, shall cause such questions, or any other documents that are currently before the meeting for action or information, to be displayed therein until disposed of.

(k) **VIDEO DISPLAY.**— The President, the Secretary, or their assistants shall cause a video of the President to be displayed throughout the meeting, and may also cause display of the video of the participant currently recognized to speak or report (if such display is available). Each participant, by making such display available, consents to display of the video.

(l) **BROADCASTING.**—The Convention Manager may arrange for broadcasting through livestreaming or otherwise so that the public and members of the Diocese other than participants may observe the proceedings.

SEC. 302. FLOOR NOMINATIONS AND VOTING.

(a) **NOMINATIONS FROM THE FLOOR.**— Any nominations from the floor permitted by the Constitution, the Canons, or section 208(a)(1) shall be made by using the feature of the platform designated by the President, for example the Zoom Chat feature, to seek recognition from the President, and upon such recognition to announce the nomination.

(b) **VOTING.**— Votes not requiring ballots may be taken through unanimous consent or by the platform feature designated by the President, for example the Zoom polling feature. Other votes, including balloting for elections, shall be taken through the voting mechanism designated by the President, for example an online voting portal for which each participant is provided an individual login code. Voting through this feature will be considered to satisfy any requirement for a written ballot.

The Tending Our Soil initiative is now accepting applications to join this innovative and highly adaptive three-year journey to listen to what God is up to in our congregations and our neighborhoods so that we might grow in our capacity to be vital bearers of God's love in our communities.

Congregational leaders are accompanied by trained coaches on a journey to refine the mission and vision to which God has called them at this time. Each year includes four learning labs, with opportunities to hear from trusted speakers and resources for meaningful work to move their communities toward a thriving future.

Hear what current leaders are saying:

- At this point in our life cycle, we need a way forward that is organic, and the Tending Our Soil initiative is providing us with the tools to identify concrete actions to fulfill God's mission and make room for others." *The Rev. Joseph Constant, Rector of St. John's, Zion Parish*
- Tending Our Soil is a rich opportunity for [us] to get our hands dirty in our missional gardens. *The Rev. Kate Heichler, Rector of Christ Church, Port Tobacco and Christ Church, Wayside*
- [W]e are excited about... our growing sense of the initiative's potential over time [and] especially encouraged that relationships and learning remain at the heart of the Tending Our Soil initiative. *The Rev. Kent Marcoux, Rector of Transfiguration Parish*

Invite the Rev. Jenifer Gamber, Director of Tending Our Soil Thriving Congregations to give a presentation to your congregation. (jgamber@edow.org)

VOTING

VOTING IN DIOCESAN ELECTIONS

Some strong suggestions to have the election process go smoothly:

- 1 Please make sure the paperwork to certify delegates or to seat alternate delegates has been done so they may take their seats in time to vote .
- 2 If you want to vote for anyone other than those listed in the nominating report, you will need to nominate that person from the floor – there is no provision for write-ins.
- 3 Try to decide for whom you want to vote before we take the first ballot .

Our canons require that elections take place by secret ballot . Although your ballot will have an ID number associated with it, the ballots are only recorded as clergy or lay, and as Ballot 1, 2 or 3 .

VOTING USING VPOLL

Please find the email with the Vpoll link that we sent you and click on it (you may use a 2nd device such as a phone or tablet if you like.)

Enter your access code: **EDOW22**

Enter your VPoll ID Number and Last Name . Then Select “**2022 Members of Standing Committee**” as your polling session . (Credentials must be typed exactly as they are written. If you need your credentials re-sent, or need help, please call support at (202) 804-6609 and press number 1.)

No questions will appear until we have started the voting process .

Refresh your screen if questions do not appear upon opening of the ballot .

VOTING USING ZOOM POLLING

During convention, Yes/No Zoom polls regarding consents of the convention will automatically appear in your Zoom webinar window .

Only those who have vote at convention should answer the polls. If you did not receive voting credentials for VPoll, please do not answer the Zoom polls .

NOMINEES FOR ELECTIVE OFFICE

MEMBERS OF STANDING COMMITTEE

The Standing Committee serves as an advisory group to the Bishop, recommends candidates for Ordination, makes recommendations on requests from congregations concerning alienation of property, and consents to the elections of all bishops in this country. REPORT OF THE COMMITTEE ON THE CONSTITUTION AND CANONS FOR THE 127TH ANNUAL CONVENTION

The Committee on the Constitution and Canons has several proposed amendments to the Constitution and Canons for this year. Many of the items are in response to the COVID-19 pandemic and there are items that have been delayed because of the limited agenda at the remote electronic annual meeting in January 2021. There are five items amending the Constitution that will *not* be debated or voted upon today. Those items will require two votes of approval at successive meetings of the Convention. The proposed text and explanations of those items are included in this report for preparation for discussion and voting at the next meeting of the Convention. The Chair of the Committee and the Chancellor of the Diocese encourage you to contact them with any questions or possible amendments to those items before that special meeting. There will be no debate or voting on any of these five items at the remote annual meeting today.

There are two items amending the Canons that the Committee will propose for debate and voting at today's remote electronic meeting.

ITEMS TO BE VOTED ON AT JANUARY 29TH REMOTE MEETING

First, the Committee submits a proposed technical and conforming amendment to strike St. John's Parish of Accokeek, Maryland, known as Christ Church Accokeek, from the Southern Maryland Region of the Diocese of Washington.

Second, the Committee submits proposed amendments to the Canons to authorize each Regional Assembly to conduct the annual business of the Regional Assembly by its choice of traditional meetings, remote electronic meetings, or any combination of traditional or electronic means. These amendments would incorporate the elements of the pilot program conducted by regions over the last four years to be permanent options for Regional Assemblies to conduct the annual business of the region.

ITEMS NOT VOTED ON AT JANUARY 29TH REMOTE MEETING

First, the Committee will propose an amendment to the Constitution to authorize remote electronic meetings of the Convention and amendments to the Canons to carry out the authorization. These amendments are a response to the COVID-19 pandemic and the ongoing public health threat. This item was discussed in the report of the Committee to the Convention at the annual meeting in January 2021. No votes were taken on any Committee items at that remote electronic meeting.

Second, the Committee will propose an amendment to the Constitution to authorize an expedited amendment process in the case of emergencies. This amendment is also a response to the COVID-19 pandemic and the ongoing public health threat. This amendment would authorize the Convention to amend the Constitution without taking a second vote of approval in the following year, if the Convention determines that an emergency exists that requires the extraordinary action.

This item was also discussed in the report of the Committee to the Convention at the annual meeting in January 2021.

Third, the Committee will propose an amendment to the Constitution to provide for the waiver of any procedural requirement relating to the conduct of a meeting of the Convention by unanimous consent. The procedures for conducting the meetings of the Convention are governed by four sets of complementary rules arranged in a hierarchy of interpretive priority. This constitutional amendment provides a means of waiving technical rules when there is no objection by any member of the Convention to speed up the conduct of meetings. This item was also discussed in the report of the Committee to the Convention at the annual meeting in January 2021.

Fourth, the Committee will propose technical and conforming amendments to the Constitution and the Canons relating to the use of the term “disability”. The amendments remove references to “disability” as a reason to apply certain provisions and clarify the intended meaning that the provisions apply when a person is unable to perform the duties of an office.

Fifth, the Committee will propose amendments to the Constitution and the Canons to restructure the Standing Committee to provide for Regional Assemblies to nominate an individual from the respective region to stand for election to the Standing Committee at the annual meetings of the Convention.

PART I – ITEMS FOR JANUARY 29TH REMOTE MEETING

ST. JOHN’S PARISH OF ACCOKEEK, MARYLAND

St. John’s Parish of Accokeek, Maryland, known as Christ Church Accokeek, is no longer a parish in the Southern Maryland Region of the Diocese of Washington. That congregation decided to reorganize as a church community unaffiliated with the Diocese of Washington and The Episcopal Church. The proposed amendment recognizes this fact by striking the parish from the list of parishes in the Canons.

Therefore, the Committee on the Constitution and the Canons moves an amendment to the Canons, taking effect on the day after the last day of the annual meeting of the Diocesan Convention in calendar year 2022, as follows:

- 1 The Canons are amended in section 2301(b)(8) (relating to the Southern Maryland Region) by striking
- 2 “St. John’s Parish,”.

ANNUAL BUSINESS OF THE REGIONAL ASSEMBLIES

On January 27, 2018, the 123rd Convention passed a resolution that amended the Canons to establish a pilot program for alternatives to Regional Assembly meetings. The authority to conduct the pilot program will expire on February 15, 2022. Under the pilot program every Regional Assembly has initiated and implemented a plan to conduct the business of the region using an alternative plan, such as conducting one or more remote electronic meetings and the use of electronic voting. The use of the alternative plan was critical during the pandemic when in-person meetings were severely limited. Over the last four years since the beginning of the pilot program we have become more accustomed to, and appreciative of, the benefits of remote electronic meetings and alternative electronic means to carry out our work. The pilot program also demonstrated

the ability of the Regional Assemblies to do much of the technical work of the assemblies – nominations, elections, budget presentations – in a form that did not require a formal meeting.

The proposed amendment to the Canons makes the options authorized under the pilot program a permanent choice for the way in which a Regional Assembly conducts its annual business. Every year each Regional Assembly may choose to hold a single, traditional, in-person meeting, one or more remote electronic meetings, or any combination of traditional and remote electronic meetings. The proposed amendment also authorizes electronic means as an option for communications, nominations, and voting.

The proposed amendment provides greater flexibility and options for the Regional Assemblies to do their work. Instead of a process in which all the yearly work of the Regional Assembly was finalized on an agenda that was voted on at a single in-person meeting, the proposed amendment is based on a process of the Regional Assembly addressing its annual business on a flexible time schedule with meeting and communication options as long as the annual business is completed in a timely manner before the annual meeting of the Convention. The work of the Regional Assembly may be conducted with multiple traditional or remote electronic meetings and using other electronic means that facilitate the completion of the annual business.

Therefore, the Committee on the Constitution and the Canons moves the adoption of a resolution amending the Canons as follows:

RESOLVED,

PART II— ITEMS NOT VOTED ON AT JANUARY 29TH REMOTE MEETING

REMOTE ELECTRONIC MEETINGS

The Diocese is still responding to the unanticipated challenges presented by the health emergencies resulting from the COVID-19 pandemic. The pandemic ended in-person meetings such as the annual meetings of Convention and required compliance with certain Federal, State, and local laws. Organizations and corporations throughout the country faced similar legal and business problems, including a lack of clear authorization to hold certain kinds of meetings and conduct certain kinds of business. The proposed amendment to the Constitution provides the express authorization for an option to hold meetings of the Convention as remote electronic meetings. The proposed amendment to the Canons provides for the Convention to make rules of order for remote electronic meetings of the Convention and expressly authorizes Diocesan committees, councils, and other entities to hold remote electronic meetings.

Therefore, the Committee on the Constitution and the Canons will move at the next meeting of the Convention—

- (1) the adoption of a resolution to amend the Constitution of the Diocese with this being the first of two Conventions to approve it; and**
- (2) the adoption of a resolution amending the Canons, as follows:**

RESOLVED,

1 SECTION 1. AMENDMENTS TO THE CONSTITUTION TO AUTHORIZE REMOTE ELECTRONIC

2 MEETINGS.

3 Article 2 of the Constitution is amended—

- 4 (1) in the heading, by striking “ANNUAL”; and
- 5 (2) by adding at the end the following:

6 “SEC. 202. REMOTE ELECTRONIC MEETINGS.

7 “The Convention may hold any meeting of the Convention as a remote electronic meeting.”

8 RESOLVED,

9 SECTION 1. AMENDMENTS TO THE CANONS TO AUTHORIZE REMOTE ELECTRONIC MEETINGS.

10 (a) DEFINITIONS.— Section 101(b) of the Canons is amended—

- 11 (1) by redesignating paragraphs (5) through (7) as paragraphs (7) through (9); and
- 12 (2) inserting after paragraph (4) the following:
 - 13 “(5) DIOCESAN ENTITY.— The term ‘Diocesan entity’ means—
 - 14 “(A) the Standing Committee;
 - 15 “(B) any Regional Assembly;
 - 16 “(C) the Council;
 - 17 “(D) the Committee on Finance for the Diocesan Council, the Committee on Investments for
 - 18 the Diocesan Council, or the Committee on Audits of the Diocese for the Diocesan Council;

 - 26 “(6) REMOTE ELECTRONIC MEETING.— The term ‘remote electronic meeting’ means any meeting
 - 27 of the Convention or a Diocesan entity that—
 - 28 “(A) is not held in a single location where all the participants are physically present; and
 - 29 “(B) uses electronic means for communication among the participants.”

30 (b) AUTHORITY.— Title II of the Canons is amended—

- 31 (1) by redesignating Canons 6 and 7 as Canons 7 and 8, respectively;
- 32 (2) by redesignating sections 601 and 701 as sections 701 and 801, respectively; and
- 33 (3) by inserting after section 501 the following:

34 “CANON 6
35 “REMOTE ELECTRONIC MEETINGS

36 “SEC. 601. REMOTE ELECTRONIC MEETINGS.

37 “(a) MEETINGS OF THE CONVENTION.— The Convention may prescribe procedures in the Rules of Order
38 of the Convention for holding any meeting of the Convention as a remote electronic meeting, including
39 procedures for holding any election at that meeting.

40 “(b) MEETINGS OF DIOCESAN ENTITIES.—

41 “(1) IN GENERAL.— A Diocesan entity may prescribe procedures for holding any meeting of that
42 Diocesan entity as a remote electronic meeting, including procedures for holding any election at that

- 1 meeting.
- 2 “(2) REQUIREMENTS.— Any procedures prescribed under paragraph (1) shall provide that—
- 3 “(A) in any remote electronic meeting every member participating in the meeting is capable of
- 4 simultaneously communicating with every other member participating in the meeting; and
- 5 “(B) in the case of a Regional Assembly, in any remote electronic meeting every member
- 6 participating in the meeting is capable of simultaneously communicating with every other member
- 7 participating in the meeting when recognized to speak.”
- 8 (c) EFFECTIVE DATE.— This resolution shall take effect on the day after the last day of the annual meeting
- 9 of the Diocesan Convention in calendar year 2022.

EXPEDITED CONSTITUTIONAL AMENDMENT PROCESS

Article 13 of the Diocesan Constitution provides for the exclusive process for amending the Constitution. It requires the amendment to be in writing and approved by a majority vote at Convention, for the approved text to be sent to each parish, and a second majority vote of approval at the following meeting of the Convention. The COVID-19 pandemic demonstrated that emergencies of long durations can create unforeseen problems in the Convention acting as a body quickly. The requirement that there are two successive votes of approval means as a practical matter that it takes two years to amend the Constitution. The proposed expedited process to amend the Constitution on a single vote at a single meeting is reserved for only the most pressing emergencies requiring immediate action. The process is not to be used as a matter of convenience.

The expedited process amendment has safeguards to protect the process from being misused For any proposed amendment under the expedited process, the Bishop would be responsible for providing to the vestry of each parish before a meeting of the Convention (1) notice of the amendment and a description of the emergency to be addressed, and (2) the written text of the proposed amendment. Before the proposed amendment could be considered at the meeting of the Convention, the members of the Convention would formally decide whether there was an applicable emergency. To use the expedited process, the Convention would be required to pass a separate resolution stating that the Convention determines that there is an emergency that necessitates the use of the expedited process. The vote would require a 67 percent supermajority of members for approval. If the resolution is approved the Convention would consider the proposed constitutional amendment under all usual procedures, including any amendments proposed on the floor. The final vote of approval for the proposed amendment would also require a 67 percent supermajority of members.

Generally, the COVID-19 pandemic was an unanticipated emergency. It is very difficult to accurately predict the exact nature of future emergencies. Some possible scenarios include another pandemic, a climate change related crisis, a natural or humanmade disaster (including mass terrorist attacks or war), or other issues, such as an emergency related requirement from the General Convention that needs immediate implementation (*i.e.* in less than two years), or an emergency authorization enacted in State or Federal law (*e.g.* relating to an exception applicable to religious organizations) that needs clarification by the Diocese in order to apply. All these scenarios seem unlikely. Hopefully, the expedited emergency process will not be needed for decades.

Therefore, the Committee on the Constitution and the Canons will move at the next meeting of the Convention the adoption of an amendment to the Constitution of the Diocese with this being the first of two Conventions to approve it:

- 10 Article 13 of the Constitution is amended in section 1301 by adding at the end the following:
- 11 “(d) EMERGENCY AMENDMENT PROCESS.—
- 12 “(1) IN GENERAL.— Notwithstanding subsection (b), a proposed amendment shall take effect if—
- 13 “(A) the Ecclesiastical Authority—
- 14 “(i) provides notice to the vestry of each of the parishes and separate congregations of the
- 15 Diocese and the members of the Convention that describes the emergency that the Ecclesiastical
- 16 Authority has determined necessitates the use of the amendment process under this subsection;

- 1 “(ii) includes in the notice the text of the proposed amendment; and
2 “(iii) introduces the proposed amendment in writing at a meeting of the Convention;
3 “(B) at the meeting of the Convention a resolution stating that the Convention determines that
4 there is an emergency that necessitates the use of the amendment process under this subsection is—
5 “(i) voted on before the consideration of the proposed amendment; and
6 “(ii) approved by 67 percent of the votes of all members of the Convention present and
7 voting; and
8 “(C) the proposed amendment is approved by 67 percent of the votes of all members of the
9 Convention present and voting.
10 “(2) VOTING AS A SINGLE BODY.— Section 501(b) shall not apply to any vote under paragraph (1).
11 “(3) EFFECTIVE DATE.— Notwithstanding subsection (c), a proposed amendment shall take effect—
12 “(A) on the date following the last day of the meeting of the Convention that approved the
13 amendment; or
14 “(B) any date that is provided with the proposed amendment.”.

UNANIMOUS CONSENT REQUESTS

Formal rules of procedure are indispensable for meetings of the Convention. The rules are intended to aid the efficiency and productivity of the meetings. The rules should never impede the procedural conduct of the meeting when all members are in agreement. The proposed constitutional amendment provides that any participant of the Convention (which by definition in the Constitution includes voting members of the Convention and persons who have seat and voice) may make a unanimous consent request that waives any procedural requirement that relates to the conduct of the meeting. The obvious safeguard for this proposed amendment is that any agreement would be truly unanimous. Any single participant may object to the request on the basis of any reason. Although a unanimous consent request under the proposed amendment may be made at any time during the meeting, it is very useful at the end of the day in a meeting to finish up business quickly. (A motion to suspend the rules or a motion for unanimous consent under Robert’s Rules does not have the same affect and can raise issues of parliamentary interpretations).

A rule for a unanimous consent request is needed in the Diocesan Constitution because it is the authority that has priority over the other three sets of rules of procedure applicable to meetings of the Convention. Each set of procedural rules is in an established hierarchy that takes precedence and govern all the other following sets of rules. The hierarchy within the Diocese is the Constitution, the Canons, the Rules of Procedure adopted by the Convention, and Robert’s Rules of Order.

A motion to suspend the rules under Robert’s Rules of Order (followed by another motion to take a certain action) cannot suspend or vacate a procedural requirement of the Constitution, Canons, or Rules of Order of the Convention. It would be bad precedent to suspend the rules under Robert’s Rules of Order and violate a higher requirement that governs. In fact, Robert’s Rules of Order recognizes this very problem under “RULES THAT CANNOT BE SUSPENDED” page 263. Unanimous consent is presently available under Robert’s Rules of Order, but even without a motion to suspend the rules, the unanimous consent request under Robert’s Rules of Order cannot waive a constitutional or canonical procedural requirement.

The proposed amendment provides for a procedure to simplify and expedite the conduct of meetings when the members of the Convention are unanimous.

Therefore, the Committee on the Constitution and the Canons will move at the next meeting of the Convention the adoption of an amendment to the Constitution of the Diocese with this being the first of two Conventions to approve it, as follows:

- 15 Article 8 of the Constitution is amended—
16 (1) by redesignating section 804 as section 805; and
17 (2) by inserting after section 803 the following:

1 **“SEC. 804. UNANIMOUS CONSENT REQUESTS TO WAIVE PROCEDURAL PROVISIONS.**

2 “(a) IN GENERAL.— The Convention may waive any provision of this Constitution, the Canons, or rule of
3 procedure at any meeting of the Convention, if—

4 “(1) any participant of the Convention makes a unanimous consent request to waive the provision;

5 “(2) no participant of the Convention present at the meeting objects to the request; and

6 “(3) the provision relates to any procedure for the conduct of the meeting, including elections.

7 “(b) APPLICABILITY OF PROCEDURES.— The Convention may adopt canons relating to the applicability of any
8 procedure under subsection (a).”.

AMENDMENTS RELATING TO DISABILITIES

The Constitution and the Canons have many provisions that use the term “disability” and that are inaccurately worded and could be misapplied in a way that was never intended. This issue came to light in 2021 during the regional community listening sessions on amending Canon 54 relating to Diocesan stewardship and parish viability. Many provisions in the Constitution and Canons state that a certain rule will apply if an individual who holds an office is “disabled or absent”. The rule uses the term “disability” in an inaccurate way. The proposed amendments are technical and conforming and provide that the particular rule will apply only if the individual is absent or unable to perform the duties of the office.

Therefore, the Committee on the Constitution and the Canons will move at the next meeting of the Convention—

(1) the adoption of a resolution to amend the Constitution of the Diocese with this being the first of two Conventions to approve it; and

(2) the adoption of a resolution amending the Canons, as follows:

RESOLVED,

9 **SECTION 1. AMENDMENTS TO THE CONSTITUTION RELATING TO DISABILITIES.**

10 The Constitution is amended—

11 (1) in section 201—

12 (A) in subsection (b)(2)(B)(ii)(II) by striking “disabled or absent” and inserting “absent or
13 unable to perform the duties of the office”; and

14 (B) in subsection(c)(3)(B) by striking “disabled or absent” and inserting “absent or unable to
15 perform the duties of the office”;

16 (2) in section 601—

17 (A) in subsection (b)(2) by striking “disabled or absent” and inserting “absent or unable to
18 perform the duties of the office”; and

19 (B) in subsection (c)—

20 (i) in paragraph (1)—

21 (I) in subparagraph (A)(ii) by striking “disabled or absent” and inserting “absent or
22 unable to perform the duties of the office”; and

26 to perform the duties of the office”;

27 (3) in section 802—

29 perform the duties of the office”; and

30 (B) in subsection (c)—

- 1 (i) in paragraph (2)—
- 2 (I) in subparagraph (A)(ii) by striking “disabled or absent” and inserting “absent or
- 3 unable to perform the duties of the office”; and
- 4 (II) in subparagraph (B)(ii) by striking “disabled or absent” and inserting “absent or
- 5 unable to perform the duties of the office”; and
- 6 (ii) in paragraph (3)(B) by striking “disabled or absent” and inserting “absent or unable
- 7 to perform the duties of the office”; and
- 8 (4) in section 902—
- 9 (A) in subsection (a)(2)(B) by striking “disabled or absent” and inserting “absent or unable to
- 10 perform the duties of the office”; and
- 11 (B) in subsection (b)(2)(B) by striking “disabled or absent” and inserting “absent or unable to
- 12 perform the duties of the office”.

STANDING COMMITTEE RESTRUCTURING FOR BROADER REGIONAL MEMBERSHIP

The Standing Committee of the Diocese is composed of members who are nominated from the Regional Assemblies (or from nominations made on the floor at meetings of the Convention). The members are required to be elected by the Convention. (Article IV of the Constitution of the General Convention of the Episcopal Church states that “In every Diocese a Standing Committee shall be elected by the Convention thereof...”). The current Constitution and Canons of the Diocese sets the number of members at eight, provides four members will be priests and four members will be lay individuals, and provides for Regional Assemblies to submit multiple nominations for the Standing Committee. Currently there are eight regions. The number of regions may only be changed by amending the Canons.

Over the years the prevailing membership of the Standing Committee has not been a representative sample of membership from the eight regions. The members (both clerical and lay) have disproportionately been elected from certain regions more than others. The proposed amendments to the Constitution and the Canons would provide that each Regional Assembly would nominate one individual for the Standing Committee. The individual could be clerical or lay and would be from that region. In addition, any number of floor nominations could be made for Standing Committee at a meeting of the Convention. The floor nominations could be for qualified individuals from the applicable region regardless of being clerical or lay.

Each Regional Assembly may choose any qualified individual to be a nominee. A qualified individual is any cleric canonically resident in the Diocese from the region or lay communicant of this Diocese in good standing who is from the region and at least 18 years of age. The proposed amendment requires that each Regional Assembly will consider the balance of clerical and lay membership on the Standing Committee when making the nomination and authorizes the Regional Assemblies to coordinate efforts to maintain clerical and lay membership on the Standing Committee. The proposed amendment does not restrict a Regional Assembly's choice of nominee, such as a requirement that Regional Assemblies alternate clerical and lay nominations. However, it is anticipated that the Regional Assemblies will develop a custom or practice to maintain both clerical and lay membership, such as alternating clerical and lay nominations each year that nominations are made.

The proposed amendments consolidate the provisions relating to membership in the Canons. This will have the related provisions grouped together and facilitate any future adjustments made by amendments that the Convention may decide to make.

Therefore, the Committee on the Constitution and the Canons will move at the next meeting of the Convention—

- (1) the adoption of a resolution to amend the Constitution of the Diocese with this being the first of two Conventions to approve it; and**
- (2) the adoption of a resolution amending the Canons, as follows:**

SPEAKING TO RESOLUTIONS OR OTHER MOTIONS

Parliamentary procedure and rules of order are simply ways in which 400 people can talk without resulting in chaos. Above all else, please remember that we are gathered in Christian fellowship and should at all times be open to the Holy Spirit. Remember, 400 people are never going to agree on anything, and all views are to be respected and given a chance to be voiced.

Speaking to resolutions or amendments will be managed by using the Raise Hand feature in Zoom. First, click “Raise Hand” to be recognized. You will be recognized by the chair in the order in which you raise your hand.

The host will be notified that you’ve raised your hand. Click Lower Hand to lower it if needed.

Once you are recognized, you will be invited to unmute. Click the unmute button to speak.

Windows: You can also use the Alt+Y keyboard shortcut to raise or lower your hand.

Mac: You can also use the Option+Y keyboard shortcut to raise or lower your hand.

If there is an amendment on the floor, your hand will be lowered. If you wish to speak to the amendment, you may raise your hand again. Once the Amendment has passed or failed, you may speak to the resolution again.

When recognized by the chair, address the chair and state your name and congregation (or position that gives you your rights, such as committee chair, Standing Committee, *etc.*). You would begin, “Thank you, Bishop Budde, my name is John Doe, a delegate from St. Swithin’s”.

Speak into the microphone so that all can hear you. Speak for yourself, using “I” statements, and be concise and focused, always addressing your remarks respectfully to the chair.

Our Rules of Order allow the principal sponsor of a resolution to be the first to speak to it. That person may do so for up to five minutes the first time, and up to three minutes the second time. All other members may speak up to three minutes twice in any single debate. Remember that you must wait your turn each time you speak. Be aware that our Rules of Order state that if you make a motion with financial implications, you must identify a funding source.

If you are making a motion, begin your motion with “I move that we do...” Someone will need to second the motion.

If it is seconded, then it is on the floor (open for discussion), otherwise the motion will not be considered.

When a vote is called for in debate, it is our custom to do a show of hands.

SOME FREQUENT SOURCES OF CONFUSION IN DEBATE

The most common confusion occurs when there have been many amendments on a particular resolution. If there is an amendment on the floor, it is the amendment only that is then under debate. At any one time there may be one, but no more than one, amendment to that amendment, and it is not proper to make an amendment to some other part of the resolution until the current motion has been decided. When debate has ended on the amendment to the amendment, a vote is taken on that, in which case, one of two things happens:

- if it passes, then that becomes the amendment on the floor and debate re-opens; or
- if it doesn’t pass, then the original amendment is what is on the floor. If you remember that you are only voting on one layer at a time, then it makes it easier to understand.

If you are unclear as to what’s under vote at any time, you have the right to ask for clarification, and the chair will explain.

RESOLUTION 1: ON CHRIST CHURCH, ACCOKEEK'S SEPARATION FROM THE DIOCESE OF WASHINGTON

Submitted by: The Rev. Ethan Bishop-Henchman, Deacon, St. Paul's, K Street; Mr. Nathan Brown, member and Lay Delegate, St. Paul's, K Street; The Rev. Joan Crittenden, Deacon, Christ Church Port Tobacco; The Rev. Elizabeth Dixon, Deacon, St. Thomas, P.G. County; The Rev. Martha Eldredge, Deacon, Church of the Ascension & St. George's Churches; The Rev. Susan Fritz, Deacon, St. James', Indian Head & Christ Church, Durham; The Rev. Steve Seely, Deacon, St. Paul's, Piney.

- 1 **RESOLVED**, that the Convention commends the leadership of Bishop Mariann and the Standing
- 2 Committee for showing gracious restraint and pastoral leadership in the matter of Christ Church
- 3 Accokeek amicably separating from the Episcopal Diocese of Washington; and be it further,
- 4 **RESOLVED**, that the Convention endorses and affirms Bishop Mariann's public statement
- 5 on April 29th, 2021 saying, "I am personally grateful to Father Brian Vander Wel, Mr. Frank
- 6 McDonough, and all the leaders of Christ Church for the spirit in which we entered and completed
- 7 this process together. May God bless and guide them and those they lead in their lives and
- 8 ministries."

EXPLANATION

On April 29th, 2021 it was publicly announced that the Episcopal Diocese of Washington and Christ Church Accokeek reached terms of an amicable separation. Amicable parish departures in the Episcopal Church are rare, especially those involving property. In recent years more often than not parties involved have entered into pitched legal battles and messy public spats. Bishop Mariann and the Standing Committee showed exceptional leadership in rising above a situation that all too easily could have devolved into a publicly tense and legally adversarial relationship. While a parish's departure from the Church is inherently regrettable, such a deterioration would have caused even greater harm to the Body of Christ. Such adversarial departures take place at a great financial cost and serve to deepen existing entrenched divisions. Because the outcome here is so rare in the Church, it is important that the Diocese as a whole via this resolution of convention formally and concretely lift up, affirm, and praise both the substance and form of this separation. If such separations are to happen, then we hope such a resolution will encourage leaders here and elsewhere to follow in these footsteps.

RESOLUTION 2: TO INCLUDE THE NAME BISHOP BARBARA CLEMENTINE HARRIS IN THE LESSER FEASTS & FASTS CALENDAR

Submitted by: The Rev. Carol Cole Flanagan, Christ Church, Rockville; The Rev. Meg Ingalls, Christ Church, Rockville; The Rev. Nan Peete, St. John's, Norwood Parish; The Rev. Preston Hannibal, Washington National Cathedral; Paul E. Cooney, Washington National Cathedral; The Rev. Vincent Harris, retired; Del Glover, Washington National Cathedral; The Rev. Sarah Motley, retired; The Rev. Paul R. Abernathy, retired; The Rev. Canon Rose Duncan, Washington National Cathedral

- 1 **RESOLVED**, the House of _____ concurring, that this 80th General Convention
- 2 of the Episcopal Church hereby directs the inclusion the name Bishop Barbara Clementine Harris
- 3 in the Lesser Feasts & Fasts Calendar of The Episcopal Church, and authorize trial use of the proper
- 4 for the triennial 2023-2024 to be celebrated on March 13; and be it further
- 5 **RESOLVED**, that this 80th General Convention approve the appropriate proper to be prepared
- 6 by the Standing Commission on Liturgy and Music.

EXPLANATION

The Episcopal Church publishes Lesser Feasts & Fasts, which contains feast days for the various men and women the Church wishes to honor. Bishop Harris died on March 13, 2020. While the typical process calls for such a resolution, seeking to add a name to the Calendar, be presented at two successive General Conventions, there have been exceptions to this rule. For example, the Episcopal Church added Jonathan Myrick Daniels to its Lesser Feasts and Fasts calendar of commemorations in 1994. His feast day is August 14, the day of his arrest. It seems appropriate in this case since Bishop Harris was a woman of color as well as the first woman ordained bishop, which will not change over time.

Barbara C. Harris (1930 – 2020) became the first woman to be ordained a bishop in the worldwide Anglican Communion on February 11, 1989. Her years of episcopal leadership were filled with traveling and witnessing, preaching, and teaching and administering the sacraments. A gifted storyteller known for her quick wit and raspy-voiced delivery, she was also a spirited and sought-after preacher of hymn laced, Gospel-grounded sermons, and an outspoken advocate for, in her words, "the least, the lost and the left out." With great grace, she worked tirelessly serving the people of the Episcopal Diocese of Massachusetts as their Suffragan Bishop for 13 years, until her retirement in 2002.

After her retirement, she served from 2003 until 2007 as an Assisting Bishop in the Diocese of Washington (D.C.) where she won many friends and colleagues.

RESOLUTION 3: ON CREATION OF A TASK FORCE ON BLACK MINISTRIES FOR THE DIOCESE OF WASHINGTON

Submitted by: The Rev. Antonio J. Baxter, Atonement; the Rev. Ricardo Sheppard, Atonement.

- 1 **RESOLVED**, that the 127th Convention of the Diocese of Washington establish a Task Force on Black
- 2 Ministries to study the revitalization of Black Churches in the Episcopal Diocese of Washington;
- 3 and be it further
- 4 **RESOLVED**, that a Task Force on Black Ministries be appointed by the Diocesan Council
- 5 consisting of members of churches (task force of ten) that are historically black or who
- 6 have a significant Black membership; and be it further
- 7 **RESOLVED**, that this Task Force on Black Ministries will complete its work by September 1, 2022
- 8 and make recommendations to the Diocesan Council to enhance, revitalize, and empower Black
- 9 churches and Black parishioners in the Diocese of Washington; and be it further
- 10 **RESOLVED**, that This Task Force on Black Ministries will examine issues such as racism and its impact
- 11 on the vitality of Black Churches in the Diocese of Washington, strategies needed specifically
- 12 to ensure vitality of Black Churches in the Diocese of Washington, and specific resources needed
- 13 to make these strategies successful.

EXPLANATION

The National Episcopal Church has an Office of Black ministries with the mission to inspire, transform and empower the people of the African Diaspora to live fully into the Jesus Movement. The missional priorities of this office include the following: To provide an overview of and/or processes for developing congregations' vitality through investment in people, to educate and empower congregations and leaders to engage in processes for strategic revitalization, and to develop and support lay and ordained leadership.

The Task Force on Black Ministries would be charged using these missional priorities to look at past injustices and to develop strategies and the resources needed to make Black parishes viable in the diocese. There have been some historically Black Episcopal Churches that have closed or that face significant challenges in vitality. It is critical to maintain their vitality because as noted in a report in the Philadelphia Tribune, 75 percent of Black priest come from Black parishes¹. Their vitality is critical to ensure the representation of Black clergy in the diocese. Also, the Task Force on Black Ministries would examine practices and models in evangelism, worship, and mission that would be more conducive to their revitalization from the Black church perspective.

The initial creation of the Task Force on Black Ministries will not require funding at this time if the Task Force is established via the resolution. However, there may be budget implications with the recommendations that the Task Force on Black Ministries may recommend. These recommendations will be submitted via resolution for the Diocesan Convention in 2023 in accordance with the provision that outline resolutions that have fiscal/budget impact.

RESOLUTION 4: ON CONFRONTING CHRISTIAN ZIONISM

Lead Sponsor: Rev. Sari Ateek, Rector, St. John's Norwood Parish.

Co-Sponsors: The Rev. Canon John Peterson, Washington National Cathedral; the Rev. Rick Miles, Interim Rector, Grace Church, Georgetown; the Rev. David Wacaster, Rector, Good Shepherd; Delegates: Thomas Getman, St. Mark's, DC; Mary Neznak, St. Mark's, DC; John W. Harbeson, Redeemer; James Hamilton, Grace Church, Georgetown.

- 1 **RESOLVED**, that the 127th Convention of the Diocese of Washington submit the following resolution
- 2 to the 80th General Convention of The Episcopal Church:
- 3 **RESOLVED**, the House of _____ concurring, that the 80th General Convention of the Episcopal
- 4 Church reject the theology of Christian Zionism as a modern misinterpretation of scripture having
- 5 no connection to the Creeds or the Prayer Book; and be it further
- 6 **RESOLVED**, that this Convention condemn the political policy positions promoted by such a theology.

EXPLANATION

Christian Zionism is the theological belief that the establishment of the modern Jewish State of Israel in 1948 is a biblically mandated precondition for the Second Coming of Christ.

It originates from a theology called dispensationalism, which was developed in the 1830s by John Nelson Darby, an ex-priest of the Church of Ireland. Through an excessively literalist reading of scripture, dispensationalism sections off the Bible into distinct, stand-alone periods (or dispensations) claiming that God has a different standard of dealings with humanity in each of these periods. The theological conclusion of dispensationalism is that God has a separate plan of salvation for the Jewish people than for the church. Also, according to Darby, the return of the Jewish people to their ancient land would trigger the events of the Second Coming of Christ.

Over the next few decades, dispensationalism grew in popularity both in England and the United States, and was the theological impetus for literalist Christians to support the creation of a Jewish homeland in Palestine (eventually referred to as Christian Zionism). With the establishment of the State of Israel in 1948, Christian Zionism spread dramatically as many literalist Christians believed themselves to be witnessing the fulfillment of Biblical prophecy, and the first clear sign that the countdown to Armageddon had begun.

Today, this theologically flawed, literalist approach continues to support the belief that loving God must go hand-in-hand with blind support of the State of Israel without necessarily understanding the biblically unsound and very recent theological roots of Christian Zionism. In addition, it is crucial for the Episcopal Church to recognize that Christian Zionist teachings arise entirely from a Western colonial interpretation of the Bible, which corrupts God's promises in the Hebrew Scriptures, the Gospel message of justice and love, and the Baptismal Covenant. Christian Zionism is a harmful, nationalistic theology that erroneously views the Jewish people from a purely instrumental and distorted perspective of Christian eschatology. Furthermore, Christian Zionism has a very tangible negative impact on both the indigenous Palestinians, whom it sees as mere bystanders, if not obstacles to the fulfillment of God's providence, and to any attempts at a peace process since returning annexed land to the Palestinians threatens the necessary conditions for the fulfillment of prophecy. Thus, Christian Zionism has been used to support the State of Israel's continued annexation of the entire land of Palestine-Israel, and the displacement and oppression of the indigenous Palestinian people, including our Christian and Muslim brothers and sisters. Cathedral Canon John Peterson, cosponsor of this resolution, spent 12 years living in Jerusalem, as Dean of St. George's College. Canon Peterson reports, "I have witnessed first-hand the destructive impact that Christian Zionists have on the Church in Jerusalem, upon all Palestinians of whatever faith or no faith, and upon the prospects of peace in the long-suffering Holy Land."

Adoption of this resolution has no impact on the diocesan budget.

RESOLUTION 5: ON OPPOSING ISRAEL'S APARTHEID

Lead Sponsor: Thomas Getman, Delegate, St. Mark's, DC

Co-Sponsors: The Rev. Rick Miles, Interim Rector, Grace Church, Georgetown; the Rev. David Wacaster, Rector, Good Shepherd; James Hamilton, Delegate, Grace Church, Georgetown; Mary Neznok, Delegate, St. Mark's, DC; John W. Harbeson, Delegate, Redeemer.

- 1 **RESOLVED**, that the 127th Convention of the Diocese of Washington submit the following resolution
- 2 to the 80th General Convention of the Episcopal Church:
- 3 **RESOLVED**, that the House of _____ concurring, the General Convention of the
- 4 Episcopal Church recognize that Israel's discriminatory legal system and treatment of the
- 5 Palestinians correspond to the definitions of apartheid elaborated in the International
- 6 Convention on the Suppression and Punishment of the Crime of Apartheid and set out in
- 7 the Rome Statute of the International Criminal Court; and be it further
- 9 **RESOLVED**, that the General Convention condemn Israel's apartheid system as antithetical to the
- 8 Gospel message and to our Baptismal Covenant to "strive for justice and peace among all people
- 10 and respect the dignity of every human being;" and be it further
- 11 **RESOLVED**, that the General Convention, recognizing the complicity of the U.S. government
- 12 in supporting and protecting Israel in its apartheid practices against the Palestinians, and deeming
- 13 that support antithetical to America's fundamental values, call on the President and the U.S.
- 14 Congress to condemn and oppose Israel's apartheid by all appropriate means, including imposition
- 15 of sanctions and suspension of military aid.

EXPLANATION

The crime of apartheid is codified in international law. Article II of the International Convention on the Suppression and Punishment of the Crime of Apartheid summarizes it as "an institutionalized regime of systematic oppression and domination by one racial group over any other racial group or groups and committed with the intention of maintaining that regime." The Palestinian people qualify as a racial group under the Convention because they have been treated as a racial group.

Since the founding of the state of Israel in 1948, indigenous Palestinian Arabs who managed to avoid expulsion from their homeland have lived in Israel subject to a de facto regime of apartheid (until 1966, they were under martial law) because they lack Jewish "nationality". After Israel conquered East Jerusalem, the West Bank and Gaza in the 1967 War, Palestinians not excluded from remaining in those areas have lived under a military occupation of an even more severe apartheid-like nature.

Over the years many knowledgeable people argued that Israel should be deemed an apartheid state (*e.g.*, "Report of UN Special Rapporteur for Palestine", John Dugard, 2007; "Occupation, colonialism, apartheid?" 2012, Human Sciences Research Council, South Africa). Others objected that, unlike South Africa, Israel did not intend to maintain an apartheid regime. This objection is no longer tenable.

In 2018, Israel enacted the Nation State Law into its "Basic Law" (equivalent to its constitution), which declared that "the right to exercise national self-determination" in Israel is "unique to the Jewish people," made Arabic no longer an official language, and established "Jewish settlement as a national value" which the state "will labor to encourage and promote." In 2020, Israel declared its intention to permanently annex more than half of the West Bank. To date, it has delayed execution

of the decision, which would violate international law, but has not altered its intention. These two actions established beyond reasonable doubt that Israel intends to maintain an apartheid regime discriminating against all non-Jews it governs.

In response, leading human rights organizations (HROs) issued major reports documenting in detail how the term apartheid is fully applicable as a legal description of the human rights regime in Israel and the Occupied Palestinian Territories.¹

Christian Churches have formally condemned Israel's apartheid as a "sin against God's children" and condemned U.S. government "complicity".²

In May 2021, 93 American rabbinical students issued an open letter identifying a "spiritual crisis" in the fact that "Israel upholds two separate legal systems."

Beginning as early as 1976, the Episcopal Church ever more forcefully opposed apartheid in South Africa. Christian churches have a special responsibility to stand with Jews against bigotry and discrimination. Likewise, we have a duty to support Palestinians against apartheid.

Adoption of this resolution would not impact the diocesan budget.

1 Reports include, "This Is Apartheid," January 2021, by leading Israeli HRO B'Tselem; "A Threshold Crossed," April 2021, by global HRO Human Rights Watch; and "Legal Opinion," 2020, by Israeli HRO Yesh Din (only examining Occupied Palestinian Territories).

2 "Declaration for a Just Peace between Israel and Palestine," July 2021, General Synod of the United Church of Christ (passed by 83%); "Recognition of Apartheid in Israel/Palestine," November 2021, Episcopal Diocese of Vermont (passed 89-25-16); "Resolution F-184," November 2021, Episcopal Diocese of Chicago (passed 78% to 22%); "Cry for Hope: A Decisive Call for Action," July 2020, Global Kairos for Justice (ecumenical Palestinian Christian coalition urges an end to "exclusivity and apartheid").

RESOLUTION 6: ON DEFENDING THE RIGHT TO BOYCOTT

Lead Sponsor: The Rev. David C. Wacaster, Rector; Good Shepherd.

Co-Sponsors: The Rev. Rick Miles, Interim Rector, Grace Church, Georgetown; Delegates Thomas Getman, St. Mark's, DC; Mary Neznok, St. Mark's, DC; John W. Harbeson, Redeemer; James Hamilton, Grace Church, Georgetown.

- 1 **RESOLVED**, that the 127th Convention of the Diocese of Washington submits the following resolution
- 2 to the 80th General Convention of the Episcopal Church:
- 3 **RESOLVED**, The House of _____ concurring, the 80th General Convention of The Episcopal
- 4 Church calls on the President of the United States and the U.S. Congress to oppose legislation
- 5 penalizing or criminalizing support for nonviolent boycotts, divestment and/or sanctions on behalf
- 6 of Palestinian human rights.

EXPLANATION

Boycotts (the refusal to buy products or services of a person, company or country as a way to protest policies and actions) are an important form of expression protected by the First Amendment. The Supreme Court has ruled governments may not dictate political beliefs as a condition for receiving public contracts. Nor may they punish those who engage in boycotts.

Boycotts as nonviolent political action to oppose injustice have an honorable history from Americans' pre-Revolutionary boycott of tea to the boycott of South Africa during apartheid, a boycott the Episcopal Church strongly supported.

The call for Boycott, Divestment, and Sanctions (BDS) issued by Palestinian civil society in 2005 launched a nonviolent movement patterned on the South African example. In its broadest form, BDS supports boycotts of and divestment from virtually all Israeli businesses and from businesses substantially involved with Israel. BDS does not call for the end of Israel but rather demands Israel comply with international law, respect human rights, and end the illegal occupation of Palestinian lands.

Over 100 measures have been introduced in state and local legislatures and in the U.S. Congress to punish BDS supporters, including those who merely refuse to pledge never to boycott Israel. To date, more than 30 states have enacted anti-BDS measures, including many governors' executive orders.

The American Civil Liberties Union, along with other civil liberties groups, has actively opposed anti-BDS legislation as an infringement of the constitutional right to boycott and inimical to the principles of free speech. Many cases have been filed challenging application of anti-BDS laws and orders, but without a definitive resolution of the controversy. Fear of retaliation and of the social opprobrium that often accompanies unfounded charges of antisemitism have chilled individual and corporate willingness to sue to uphold their rights. For example, Unilever Corporation, which owns Ben & Jerry's Ice Cream, has not defended itself against divestment of its stock by several state governments as punishment for Ben & Jerry's decision to cease doing business in Jewish-only settlements on the West Bank. Consequently, others who may wish to boycott Israel are often afraid to do so. Anti-Semitism is hostility to or prejudice against Jewish people and Judaism. Criticism of the secular government of Israel and its policies is not Anti-Semitic.

Whatever one's stance on BDS, in view of the ongoing assault on the right to boycott, this resolution's defense of the First Amendment right to speak and to act nonviolently in accordance with one's conscience is required as a matter of honoring our baptismal vows.

Adoption of this resolution has no impact on the diocesan budget.

SEE—I AM DOING A NEW THING.

ISAIAH 43:19

WELCOME FROM BISHOP MARIANN

Dear Diocesan Family,

In the season where God reminds us that all good things are still possible, and in anticipation of the third year of our diocesan strategic plan, I am grateful for the opportunity to reflect with you on the fruitfulness of our efforts in 2021. In the pages of this Annual Report, you will find the story of a diocesan community focused on growth and vitality. A diocese that is ***drawing people to Jesus and embodying his love for the world by equipping faith communities, promoting spiritual growth and striving for justice.***

First I must acknowledge the context of our work, which has not been easy for anyone and especially difficult for some. The constant adjustment to an ever-changing pandemic reality has been challenging. The pastoral care needs within our congregations and the communities we serve remain high. The past two years have shined a spotlight on much that is not in our nation.

Yet within the pain and uncertainty, God is faithful. We have experienced the truth of St. Paul's words: *Faith, hope, and love remain. And the greatest of these is love.*

Carefully stewarding our resources and adhering to the path of strategic plan, as a diocese we are facing the challenges before us with clarity of purpose and hearts lightened by one another's witness.

I give thanks every day for the privilege of being your bishop and serving Christ with you. And I am grateful to share within this report all the good work we have begun in Jesus' name.

As we turn our collective gaze toward 2022, may God bless and guide us all.

Faithfully,

Bishop Mariann

The Rt. Rev. Mariann Edgar Budde
Bishop of Washington

REVITALIZATION

Church revitalization is one of the three key areas of focus in our diocesan strategic plan — and 2021 saw a tremendous amount of progress toward our year two objective for this priority: *engaging all congregations in the diocese with health assessments & revitalization strategies, including the implementation of the Tending Our Soil Thriving Congregations initiative.*

HIGHLIGHTS OF 2021

TOGETHER, THIS YEAR WE:

- Onboarded **The Rev. Canon Anne-Marie Jeffery** to serve as Canon for Congregational Vitality
- Passed the [Canon for Diocesan Stewardship and Parish Viability](#) at the Special Convention held in April (also known as “Canon 54”)
- Implemented Canon 54 for the first time by parish leadership request
- Created a pastoral approach to walking with congregations through the Canon 54 process
- Conducted 58 parish check-ins over the summer
- Developed and held warden and vestry trainings through the School for Christian Faith and Leadership
- Restructured the Parish Transitions process
- Partnered with the Diocese of Maryland and the Claggett Center to provide camp for our rising generations and retreat opportunities to our leaders and parish members
- Launched the first cohort of the Tending Our Soil Thriving Congregations Initiative with 12 participating congregations
- Called **The Rev. Lisa Barrowclough** as our first Dean of Chaplains
- Reconvened the Parish Vitality Working Group
- Expanded the dialogue about the Vital Signs of Parish Health with various offerings, including an evening of Sharing Vital Stories

VITAL SIGNS OF PARISH HEALTH

First introduced in 2020, the [Vital Signs of Parish Health](#) were forged in response to the question: **How do we grow?**

After much discernment and discussion with leaders across the diocese, the answer became clear: **We grow by being attentive to the areas that make a healthy church.**

As much as we might wish, we know there is no “magic wand” for revitalization, no single event that will cause people to start coming to a parish. Instead, it takes consistent work in the areas named by our diocesan community:

- Compelling Mission & Vision
- Clear Path of Discipleship
- Faithful Financial Practices
- Inspiring & Capable Leadership
- Welcome & Connecting Ministries
- Uplifting & Inviting Worship
- Blessing Our Community

In 2021, the Vital Signs of Parish Health became increasingly foundational to our work with congregations – they are becoming part of our diocesan language. We will continue using the Vital Signs for the foreseeable future and incorporate them into all of our revitalization work.

- The Vital Signs are integral in the Tending Our Soil Thriving Congregations Initiative
- Congregations now work through the Vital Signs as part of a revamped clergy transition process to help identify what is needed in new clergy leadership
- Leaders at 31 of the 58 parishes that participated in the parish check-in process this summer have either attended a Vital Signs-related School offering or used the Vital Signs during vestry discussions

Implementing a church revitalization strategy that leads to healthy, thriving congregations throughout the Diocese of Washington and reverses the trends of decline is one of the three key priorities of our diocesan strategic plan.

REGIONAL DEANS & NEW DEAN OF CHAPLAINS

Part of our commitment to congregational vitality is to strengthen relationships, foster collaborative efforts between congregations and provide a greater diocesan presence in each region of the diocese. Regional deans serve as a point of connection, not only between diocesan staff and the regions, but within the leadership of the regions themselves. 2021 was the first full year of service with the [regional dean structure](#) fully in place.

THIS YEAR, OUR REGIONAL DEANS:

- Met regularly with both diocesan staff and regional leaders
- Played a critical role in planning the fall Clergy Conference
- Helped set the agenda and served as hosts for the online regional gatherings in the October and November
- Were an integral communications link within regions and around the diocese
- Convened over 65 monthly meetings with regional parish clergy

IN ADDITION:

- **The Rev. Richard Wall** agreed to serve as co-dean of the Central DC region when the Rev. Rondesia Jarrett-Schell accepted a call to serve as interim rector at St. Stephen and the Incarnation
- **The Rev. Lisa Barrowclough** was commissioned to serve as our inaugural Dean of Chaplains

REVITALIZATION: PIVOTING TO 2022

In 2022, we will expand best practices for the Vital Signs of Parish Health with offerings from the School for Christian Faith and Leadership and in our work with individual congregations, as we lay the groundwork to address another key priority in our diocesan strategic plan: to *“launch or relaunch (up to) three worshipping communities focused on rising generations so that we become a spiritual home for our children and grandchildren.”*

FAITH & LEADERSHIP

Inspiring every person to grow in faith and equipping our leaders to lead well comprise another of the three key areas of focus in our diocesan strategic plan. We met our year two objective – to expand the School for Christian Faith and Leadership and strengthen its foundations – while also developing and launching other important diocesan initiatives.

THE SCHOOL FOR CHRISTIAN FAITH AND LEADERSHIP

To inspire, equip, connect, and empower the people of God for life and leadership.

- Mission statement of the School for Christian Faith and Leadership

Leading up to the School for Christian Faith and Leadership’s official “hard launch” in September of this year, diocesan staff and members of the School’s Advisory Board, under the leadership of Dr. Jordan Rippey, spent much of their time building a foundation for long-term success.

Since the beginning of 2021, we:

- Onboarded The Rev. Emily Snowden as Program Coordinator for both the School for Christian Faith and Leadership and the Tending Our Soil Thriving Congregations initiative
- Developed a [learning hub](#) that houses the School’s assets in an easy to use online platform
- Offered over 60 courses, both live and on demand
- Served over 2,000 students with over 1,000 course registrations
- Invited more than 20 subject matter experts from inside the diocese to lead courses
- Created practical, self-guided toolkits for parish leaders like [Vestry 101 \(en español\)](#) and the [Warden Training Toolbox](#)

To more accurately reflect her leadership, The Rev. Jenifer Gamber’s title was changed to Director of the School for Christian Faith and Leadership and the Tending Our Soil Thriving Congregations initiative.

THE SCHOOL IN 2022

Next year, the School will continue developing its offerings, focusing on “growing young” and “201 level” courses. We will also expand resources for our Latino congregations. Explore the offerings of the School at www.school.edow.org.

PATH OF DISCIPLESHIP

One of the seven [Vital Signs of Parish Health](#) is a “Clear Path of Discipleship.” In order to help our congregations strengthen their offerings in this area, earlier this year, The Rev. Jenifer Gamber convened a group of leaders to spend time exploring and refining what elements are needed in order to make a path of discipleship that can grow and adapt to wherever a person is at in their stage of life and spirituality.

FROM THIS WORK, WE DEVELOPED:

- A diocesan [Path of Discipleship](#) with five essential practices to grow in faith
- A Path of Discipleship app ([Apple App Store](#) | [Google Play](#))

- [Discussion cards](#) for different ages
- And a suite of [downloadable posters](#) with examples of the practices

DISCOVER-EMBRACE-BECOME

To support the Path of Discipleship, the School developed [Discover-Embrace-Become](#), a formation series that helps newcomers and long-time members alike grow with faith and features videos of congregational leaders telling their faith stories. The series can be used to prepare people for sacramental commitments of baptism and confirmation.

TENDING OUR SOIL THRIVING CONGREGATIONS INITIATIVE

To cultivate the changed soil of our diocese so that God's love might grow in our time and place.

- Mission statement of the Tending Our Soil Thriving Congregations Initiative

In the fall of 2020, the Episcopal Diocese of Washington received a 5-year grant of \$1,000,000 from Lilly Endowment Inc. to help establish the [Tending Our Soil Thriving Congregations Initiative](#).

THROUGH THIS INITIATIVE:

- Up to 36 congregations will gather in peer-to-peer learning cohorts
- The diocese will train 12 coaches to accompany congregations in the process
- Congregations will clarify mission and innovate toward greater health

IN THIS LAUNCH YEAR,

- 4 members of the diocese, both clergy and lay, completed training to become coaches for participating congregations
- 12 congregations from 7 regions began peer learning cohorts, the start of a three-year journey of learning and reimagining Christian practices to meet a changing culture
- The peer cohorts attended the first 2 of 4 quarterly learning labs in Year 1: Mission and Vision, a year of listening for what God is up to in our congregations and neighborhoods
- Cohort congregations took assessments to learn about their readiness to grow
- Cohort congregations are reconnecting with their histories and reaching out to their community neighbors
- [Resources crafted for the Tending Our Soil initiative are available for every congregation](#)

TENDING OUR SOIL IN 2022

In the coming year, the Tending Our Soil initiative will continue following its mission.

- Congregations are invited to apply for the second peer cohort. Applications open January 1 and the deadline to apply is March 1, 2022
- Up to 12 congregations will be selected and begin preparations to start in June
- 4 new coaches will be trained to accompany the second peer cohort congregations
- The first cohort will wrap up their Year One work and begin Year Two: Plan and Equip the Vision

EQUITY & JUSTICE

In 2021, our focus for the Equity and Justice objective of the diocesan strategic plan has been to:

Bravely uncover, understand, reckon with and act to dismantle racism within ourselves, our faith communities, the Diocese and our localities.

The first step in helping the diocese to advance this objective was to hire a new Missioner for Equity and Justice. Earlier this year, Hazel Monae accepted the call to this work and has spent much of 2021 familiarizing herself with existing equity and justice initiatives and building relationships with various committees, task forces, community builders and activists in our parishes, surrounding communities and the wider church.

WHAT DID WE DO THIS YEAR? WE:

- Joined the Racial Justice Virtual Pilgrimage through the Absalom Jones Center for Racial Healing
- Offered an LGBTQIA Workshop, Training
- Organized *The Church Cracked Open* book discussion with author The Rev. Canon Stephanie Spellers
- Offered Resilience for Activists course through the School for Christian Faith and Leadership course through the School for Christian Faith and Leadership
- Launched the First Cohort of The Reparations Task Force Congregational History Project
- Ran an EDOW Racism 101 training, grounded in the Baptismal Covenant and Becoming Beloved Community
- Began rebuilding a [Prison Ministry Strategy](#)
- Extended ongoing support of the Washington National Cathedral Sanctuary Ministry
- Convened the Equity & Justice Steering Committee
- Established the [Afghan Refugee Response Team](#) in the wake of the end of the war in Afghanistan to respond to the urgent needs refugees arriving in this area
 - 25 parishes participating/sponsoring
 - The Team published a [Mentor Resource Guide for Sponsoring and Assisting Refugee Resettlement](#)
 - Created an [EDOW Afghan Refugee Ministry Listserv](#)
- Supported ongoing antiracism work in congregations (including [Sacred Ground](#) and [Becoming Beloved Community](#) offerings)
- Held vigils for Derek Chauvin verdict and the first anniversary of the killing of George Floyd

PIVOT TO 2022

In 2022, as an extension of our work to become a more equitable and just diocese/region, we will focus our equity and justice energy on Creation Care, LGBTQIA+ Cultural Competency & Humility and continued AntiRacism work.

CREATION CARE:

- Building a diocesan-wide task force
- Auditing where Creation Care efforts are in every congregation
- Creating a strategy for cross-diocesan engagement

LGBTQIA+ CULTURAL COMPETENCY & HUMILITY WORK:

- Offering a 6-week series through the School for Christian Faith and Leadership
- Providing ongoing training for both diocesan and Washington National Cathedral staff
- Building relationships within the DC/MD area to hold ourselves accountable

PROGRAMS & OPERATIONS

Bishop Mariann and diocesan staff devote much of our time to facilitating the work of the diocese. We couldn't do this alone and give thanks for all the regional deans, leadership bodies, committee members and congregational leaders who help us in equipping faith communities, promoting spiritual growth and striving for justice. With you, we are creating a diocese *that draws on the gifts of all God's people to serve Christ together and live Jesus' Way of Love.*

In this section of the Annual Report, we share the areas of our everyday ministry that, while not specifically part of our diocesan strategic plan, are nevertheless essential components for a healthy, vibrant diocese.

BISHOP'S OFFICE

We are grateful to report that Bishop Mariann was able to resume in-person visitations to parishes as well as conduct the acts required of her episcopate by canon.

IN 2021, BISHOP MARIANN

- Made herself available to clergy and leaders for pastoral support
- Convened quarterly sessions with staff to track progress on strategic plan objectives

DIOCESAN STAFF TRANSITIONS

Though 2021 saw both planned and unexpected transition on diocesan staff, our investment in developing clear, intentional job descriptions meant that we were able to recruit and hire exceptional talent to join our efforts to become a diocese that *draws people to Jesus and embodies his love for the world.*

THIS YEAR, WE BID FAREWELL TO DIOCESAN STAFF MEMBERS:

- **The Rev. Canon Paula E. Clark**, who was elected bishop of Chicago in the fall of 2020

In the spring, our friends at the Unstuck Group led us through a teambuilding exercise. In September, we met as a full staff in-person for the first time with all the new staff in place to learn about Enneagram.

ORDINATION PROCESS

The Rev. Dr. Robert Phillips, Canon for Leadership Development and Congregational Care; the Ven. Sue von Rautenkranz, Archdeacon and Diocesan Liturgist; and the Rev. LATINO/HISPANIC MINISTRY

Mildred Briones Reyes was named Missioner for Latino/Hispanic Ministries and Diocesan Initiatives upon the retirement of The Rev. Sarabeth Goodwin. Among Mildred's first objectives for Latino/Hispanic Ministry in the diocese is increasing access to diocesan resources in Spanish.

- Growing participation in and support for Washington National Cathedral Sanctuary Ministry and their advocacy work
 - Members of the Sanctuary Ministry participated in the Fast for a Path to Citizenship in June
- Supporting parish leaders who wish to explore the development of Latino/Hispanic Ministry in their congregations
- In September, we highlighted Latino Ministry in the [Diocesan Bulletin](#) newsletter which included a reflection on faith by Mildred ([en español](#) | [in English](#))

IN 2022, LATINO/HISPANIC MINISTRY IN THE DIOCESE WILL FOCUS ON:

- Convening a Latino/Hispanic Ministry advisory council
- Equipping Latino/Hispanic leaders with resources and tools for skill development, awareness building, spiritual growth and faith formation
- Identifying and developing strategies to engage with critical Equity and Justice issues affecting Latino/Hispanic communities throughout the Diocese

DIACONAL MINISTRY

While the pandemic reinforced our conviction that deacons are an essential part of our diocesan ministry, this year has seen a blossoming of their leadership in the diocese. We are grateful for their service among and beside us, and for the leadership of The Ven. Sue L. von Rautenkranz, archdeacon, who directs the formation and placement of deacons in the diocese.

- Many of our deacons remained engaged in a variety of food pantries and feeding programs around the diocese; most significantly in response to communities that continue to be heavily impacted by the pandemic

- Other deacons are deeply involved in advocacy efforts around homelessness, immigrant and refugee rights, returning citizen, and voter registration

DIOCESAN LITURGIES

The Ven. Sue von Rautenkranz serves as archdeacon of the diocese and also as the diocesan liturgist. We give thanks for her hard work in the development of the services that sustained our communal life this year.

- Worship at January's virtual Convention and April's virtual Special Convention
- Spring Clergy Renewal of Vows services
- The ordination of 3 persons to the priesthood at Washington National Cathedral (the Rev. Catherine Ballinger, the Rev. Hope Christiansen, and the Rev. Douglas Kirby, combining in-person attendance and live-streaming in compliance with social distancing requirements)
- August Diocesan-wide service at Washington National Cathedral
- September farewell service for Bishop Chilton Knudsen
- October Clergy Conference offering an opportunity for clergy to come together with their bishop and each other for prayer, refreshment and conversation
- May and October Confirmation services both in the Cathedral and the All Hallows Amphitheater, provided an opportunity for persons to make an adult affirmation of their baptismal vows
- Installation service for the Rev. Todd Thomas, as rector of St. Timothy's, DC in October
- Installation of the Rev. Canon Michele V. Hagans as Canon Emerita of the Diocese in November

FAITH FORMATION

Diocesan staff convened youth ministry leaders several times throughout the year for fellowship and mutual support. Through the School for Christian Faith and Leadership, we developed both a [Path of Discipleship](#) and supporting resources (Find the Path of Discipleship app in the [Apple App Store](#) or on [Google Play](#), [discussion cards](#) for different ages, and a suite of [downloadable posters](#) with examples of the practices, the diocese). In the late fall, we launched the search for a new Missioner for Faith Formation and look forward to calling someone soon.

And out of the belief that transformational and formational experiences are essential to the faith development of adults, young adults, and youth, the Dioceses of Washington and Maryland agreed to an historic [cooperative relationship](#) for camping and conference ministries located at the Claggett Center.

BUSINESS AFFAIRS OFFICE

The Business Affairs Office tends to the financial and human resource needs of daily diocesan life. In 2021, Kathleen Hall, Director of Administration and Human Resources, and Kelly Cooper, Financial Analyst, in collaboration with the Human Resources and Finance committees and supporting staff have:

- Assisted parish leaders in the transition to Praesidium Academy for Safe Church courses
- Supported over 150 retired clergy and their spouses through the change in health benefits plans
- Distributed \$85,000 to families, food banks, and feeding programs under the auspices of the COVID-19 Emergency Relief Fund
- Processed \$145,000 in congregational growth grants and parish assistance grants for 15 parishes
- Conducted in-depth review of 18 parish audits or financial statements submitted to the Diocese

COMMUNICATIONS AND TECHNOLOGY

2021 marked a number of “firsts” for the diocese in the realm of communications and technology.

- In January, we held our first virtual Annual Convention, then followed it in April with a virtual Special Convention
- Leading up to Convention, we held our first online hearings to discuss resolutions
- We debuted our first phone app (Path of Discipleship, available on [Apple App Store](#) | [Google Play](#))
- We debuted a robust learning management system capable of handle offerings from the [School for Christian Faith and Leadership](#) and growing with us as the School evolves

While not a “first” for the diocese, we also undertook a complete renewal of the [diocesan website](#) to better align it with our current mission priorities and leverage the advances in technology that have occurred since we last refreshed.

Finally, under the rubric of “internal” communications, communications manager Keely Thrall prepared a content strategy for diocesan communications, a crisis communications plan, and is working with a small team to punch up our diocesan social media presence (We invite you to follow us on [Instagram](#) and [Facebook](#)).

FINANCE & BUDGET

Being faithful stewards of the Diocese's resources is of primary concern to Bishop Mariann and the diocesan staff. In 2021, both staff and members of the various financial committees continued not only to seek ways in which we might do more with less but also how we might best invest resources to align with our strategic plan goals of congregational vitality, spiritual formation, and racial equity.

FINANCE COMMITTEE

Throughout the year, the Finance Committee closely monitored the 2021 budget to ensure the ongoing pandemic would not further impact the diocesan budget. Thankfully, congregational giving came in higher than originally budgeted, allowing the Committee to reforecast the budget in mid-June and reducing the anticipated draw from diocesan reserves needed to fund ongoing operations and ministry. Over the summer, the Finance Committee began the process of drafting the 2022 budget so that Diocesan Council and the Convention of the Diocese of Washington could make decisions about the upcoming year's spending priorities.

FINANCIAL RESOURCES COMMITTEE

The Financial Resources Committee (FRC) is charged with the design and implementation of plans to strengthen the financial capacity and ministry of congregations in the Diocese of Washington. The FRC is pleased to have offered a number of helpful resources this year:

- For the third year in a row, the FRC prepared materials for its annual giving campaign toolkit, keeping the needs of an online campaign in mind. Inspired by the verse... *for we walk by faith, not by sight...* (2 Corinthians 5:7), the committee chose [We've Come this far by Faith](#) as the theme this year
 - At least 10 of our parishes used some, or all, of this year's theme and materials. We're also aware of other dioceses and denominations who have used the theme and/or materials
 - The resources of the toolkit have been accessed by over hundreds of users since it was published in June
 - The FRC conducted its usual summer workshops in preparation for fall Annual Pledge Campaigns. Workshops were held in June, July, and August, with strong sign-ups for these now annual offerings
- The FRC conducted webinars on a variety of topics ranging from best practices for virtual stewardship campaigns to support for parish treasures, especially those positions held by volunteers
- FRC offered individual consultations and annual giving campaign support in support of several congregations across the diocese

The FRC looks forward to continuing to provide support for Annual Giving Campaigns with a new toolkit available in early summer. The committee will also be expanding its offerings into areas such as Small Campaigns (4 zeroes or less), Networking for Stewardship Committee Chairs, a Toolkit for Treasurers, and School offerings for Clergy and Preaching About Money.

GRANTS DISBURSED

In 2021, the Diocese of Washington continued to disburse life- and ministry-changing grants to our congregations and wider communities.

COVID-19 EMERGENCY RELIEF FUND

- We distributed \$17,900 to 48 individual and family recipients
- We distributed \$65,000 to 5 feeding programs and food pantries

CONGREGATIONAL GROWTH GRANTS

- We awarded \$117,990 in [Congregational Growth Grants](#) to 14 parishes in, focusing on technology as we emerge from pandemic to meet the needs of a changing world

ST. MARY'S COUNTY SCHOLARSHIP FUND

- We awarded \$18,000 to 24 recipients to help support black students from St. Mary's County in pursuit of a degree in an accredited college/university or certification in a post secondary educational program

HIGHLIGHTS OF 2021 AND PIVOT TO 2022

- For 2021, Congregational Giving was originally budgeted at \$2 million, and then in June, reforecast to be \$2.25 million, as congregational pledges came in higher than first expected
- Additional cost savings, beyond those adopted in 2020 when all discretionary spending was greatly reduced, were implemented where possible
- Total projected revenue for 2021 was still expected to fall short of anticipated expenses by \$160,000, and to bridge this gap, the Convention approved a draw on accumulated Diocesan assets as an investment in the strategic plan and preserving the human capital of the Diocese
- To date, expenses for 2021 have come in lower than expected, reducing the potential need to draw on reserves
- For 2022, Congregational Giving is budgeted at \$2.3 million, a slight increase over the reforecasted budget for 2021
- To support the new partnership with the Diocese of Maryland at the Claggett Center, Diocesan Council voted to approve a gift to the Claggett Center's capital campaign
